

## **Brant Community Church Camp Sponsorship Program**

Statistics have shown that many individuals make a commitment to accept Jesus Christ as Saviour prior to the age of 21, and that quite often attendance at a Christian Camp is a motivating factor in reaching this decision. At BCC, we believe that our kids and Young People should be encouraged to take part in a Christian Camping experience, regardless of their families' financial situation.

In order to encourage participation, BCC will offer a sponsorship of \$100 per child for each child registered in a Christian Camp in the province of Ontario during the current year. The camp must be affiliated with CCI/Canada – The Christian Camping and Conference Association. (<http://www.cci-canada.org/>)

A copy of the registration along with an application will be give to any member of the leadership team for approval, and once approved a cheque will be issued.

In the case of greater financial need, a meeting will be held with any two members of the Leadership Team, and if felt appropriate, additional funds will be made available up to and including the entire cost of the camp fees.
